DECLARATION OF HELEN PURCELL

I, Helen Purcell, declare and state as follows:

1. My name is Helen Purcell. I am over eighteen years of age and am competent to testify regarding the matters stated herein. I have personal knowledge of the facts set forth herein.
2. From 1988 to 2017 I served as Maricopa County Recorder.
3. Upon information and belief, in Maricopa County, there is no information on any given ballot that would tie that ballot back to a specific voter.
4. Upon information and belief, any information that Maricopa County has on who has voted on election day comes solely from who checked in at the polls on election day.
5. Therefore, upon information and belief, in Maricopa County, it would be impossible to ascertain with any certainty after election day whether a particular voter's vote was counted, much less fully and accurately counted.

I declare under penalty of perjury that the foregoing is true and correct, except for those statements made upon information and belief, which I reasonably believe to be true.

DECLARATION

I declare and state as follows:

1. My name is DONOVAN DROBINA. I am over eighteen years of age and am competent to testify regarding the matters stated herein. I have personal knowledge of the facts set forth herein.
2. I am a registered voter in Maricopa County.
3. On Tuesday, November 3, 2020, I voted in the general election at the polling place located at Arrowhead Town Center, Glendale AZ (address of polling place – please include city).
4. I was provided with a sharpie by poll workers to fill out my ballot and was not given the option of using a ballpoint pen. I attempted to insert my ballot into the slot at the top of the ballot box and it was rejected. The poll worker assisting me told me that they had been having issue with the sharpies bleeding through which had been causing issues with the scanner. The poll worker had me try to put the ballot in the slot of the top of the box twice. It failed to scan both times. Then the poll worker had me put the ballot in a slot lower down on the box.

I acknowledge that Kolodin Law Group PLLC is not my attorney and I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

1. My name is Joshua Banko. I am over eighteen years of age and am competent to testify regarding the matters stated herein. I have personal knowledge of the facts set forth herein.
2. I am a registered voter in Maricopa County.
3. On Tuesday, November 3, 2020, I was working as a clerk for the Maricopa County Elections Department at the polling location located at Paradise Valley Mall in Phoenix, Arizona. I worked there from approximately 5:30 in the morning to approximately 8:15 at night.
4. Starting at the very beginning of the day, voters began experiencing problems feeding their ballots into the tabulation machine. This caused significant delays in voting and lasted throughout the day. The tabulation machine was telling me that it was detecting errant or extraneous lines outside of the voting section of the ballot. However, in my presence many voters showed their ballot to the elections marshal and the site inspector to demonstrate that there were no errant marks on their ballot. Ballots that were rejected by one machine were tried on the other tabulation machine and in different orientations, always without success. For these reasons I believe that the issue was caused by the use of sharpies at the polling location. Voters who experienced this issue were told by the marshal that they could spoil their ballot but if they didn't care about the candidate for the section of the ballot where they were having the issue they could double vote and spoil just that vote. The marshal and site inspector encouraged voters to do this instead of spoiling their ballot and obtaining a new one. I would estimate that approximately 80% of voters at this polling location

4. In that capacity I am familiar with the instructions that we provide to voters. The below is a true and accurate copy of those instructions for the 2020 general election. The below is a true and accurate copy of the instructions we provided to early voters for that election. We advised voters not to use sharpies because they make ballots harder for our tabulators to read. For the 2020 general election, early voters and election-day voters received identical ballots.

**OFFICIAL VOTING INSTRUCTIONS
BALLOT BY MAIL BALLOT**

Please read these instructions and review your Ballot completely **BEFORE** you begin to vote. Any unnecessary marks, marks, white out or added folding of your ballot may cause your ballot to be misread or rejected. If you make an error on your ballot or it was damaged in any way, you may contact the Recorder's Office at (520)724-4330 for a replacement ballot.

If you choose **NOT** to vote your Ballot By Mail ballot and go to your assigned polling location on Election Day you will be required to vote a Provisional Ballot which takes longer to process. If the election is an all ballot by mail, which means every registered voter gets a ballot in the mail, you can go to a replacement ballot site on Election Day.

PLEASE CLOSE ATTENTION TO THESE INSTRUCTIONS:

STEP 1: VOTE by marking the oval in front of the candidate or issue. Fill in the oval completely with a **BLACK** or **DARK BLUE PEN**. Do **NOT** use a sharpie type pen as it will bleed through.

STEP 2: **CORRECT**
To vote for a **WRITE IN** candidate - write in the name in the space provided **AND** fill in the oval in front of the name. A list of write in candidates is available on the Elections Department website: www.pima.gov/elections or you may call their office at 520-724-6830.

STEP 3: REFOLD your voted ballot exactly as you received it.

STEP 4: INSERT your voted ballot into the **WHITE** Ballot By Mail Affidavit envelope and seal it.

STEP 5: SIGN your name by the large X on the **WHITE** Ballot By Mail Affidavit envelope. **YOU MUST SIGN YOUR NAME** in order for your ballot to be counted. If you cannot sign due to illness, injury or physical limitation have the person assisting you complete and sign in the assistance section on the ballot affidavit.

WARNING: Power of Attorney is not acceptable for election matters in the State of Arizona.

INSERT the **WHITE** Ballot By Mail Affidavit envelope into the **YELLOW** postage paid envelope.

The felt-tip pen ballot controversy burning through social media is false. Don't get caught up in it. Arizona ballot tabulating machines can read ballots marked with a felt tip pen. Felt pens are discouraged because the ink can bleed through. If it does bleed through, the ballot will most likely get sent for duplication so it can be read by the scanner. The image with this post is the text from the Arizona Secretary of State's Elections Manual, Chapter 10, Section D, subsection 3.

All ballots in which voter intent can be discerned will be counted. That's also in the manual. No ballots will be discarded because of the method used to color in the ovals.

3. Procedures for Duplicating a Ballot A damaged or unreadable ballot must be duplicated according to the following procedures:

- Ensure the correct ballot style for the voter's precinct will be used to create the duplicated ballot;
- Mark the proper precinct identification code, if applicable;
- Record an identical serial number on both the original and duplicate ballot (including spoiled duplicates) – this ties the ballots together and creates a paper trail as required by statute, A.R.S. § 16-621(A);
- Conspicuously mark the original ballot as "DUPLICATED";
- Conspicuously mark the duplicate ballot as "DUPLICATE," A.R.S. § 16-621(A);
- Using the damaged or unreadable ballot as a guide, mark a blank ballot with votes identical to those on the original ballot;
- Do not duplicate write-in names that are not on the authorized write-in list ("blank" or "unofficial" may be typed in if using a ballot marking device to duplicate and the name/line cannot be left blank). However, mark the arrow or fill in the oval to indicate the vote cast;
- After marking the duplicate ballot, check to make sure it is identical to the original, including over-votes if voter intent cannot be determined and any under-votes;
- If the Ballot Duplication Board makes any errors, mark the duplicate ballot "SPOILED" in a conspicuous
